### **WENDY & BRITTANY LOGGER MEMORIAL FUND**

The Wendy & Brittany Logger Memorial Fund was developed by Sensei Jim Atkinson and Sensei Chris Logger, on July 27, 2018. The Atkinson and Logger families will provide the donations for this fund annually in support of the SWKKF; and to honor of Wendy and Brittany Logger. This year's fund is \$1500; with the hopes of growing it larger in the future.

Wendy was the wife of Sensei Chris Logger and the sister of Sensei Jim Atkinson. Wendy passed away October 12, 2016, after battling leukemia.

Brittany was the daughter of Wendy & Sensei Chris Logger; and the niece of Sensei Jim Atkinson. Brittany passed away on July 14, 2017, just nine months after her mother.

For many years, Wendy and Brittany lived in a household influenced by the SWKKF family. Both were involved either on the floor, or by helping at and planning karate events.

Wendy shared the date of her birthday with the November weekend of the Delhi Karate tournament and she hosted several after tournament socials at her house; celebrating both the tournament and her birthday.

Wendy and Brittany are remembered by many family members and friends; and it is an honor to be part of creating this wonderful memorial fund to remember two dear loved ones and to benefit the SWKKF. An organization we all love and respect.

The Wendy & Brittany Logger Memorial Fund will be cared for by the Financial Expenditure Committee and will primarily be used to fund SWKKF Club incentives and mentorship.

In Harmony,

Sensei Jim Atkinson
